**Connexus Credit Union Welcomes Tom Mercier as
Vice President – Information Technology**

Wausau, WI – September 17, 2009 – Connexus Credit Union is pleased to announce that Tom Mercier has recently joined their team in the newly created role of Vice President – Information Technology.

In his new role, Mercier will be responsible for oversight of the Information Technology functions including development of short- and long-term technology plans to provide efficient and cost effective technology tools for credit union members and employees.

Mercier brings a wealth of technology and management experience to Connexus that encompasses twenty-three years in business and industry and thirteen years in education. A majority of that experience consists of leadership roles in Information Systems and Technology. Early in his career, Mercier gained experience in many facets of Information Technology through broad involvement in replacing legacy systems with state-of-the-art environments. Later, Mercier served as the Director of Information Systems and Instructional Technology, Vice President – Administrative Services, and then Chief Operating Officer for Northcentral Technical College in Wausau, WI.

Most recently, Mercier was the Vice President – Administration and Finance for Montgomery County Community College in Pennsylvania where his responsibilities included leadership for finance, the business office, human resources, campus safety, facilities, and capital projects.

Because of his vast experience, Mercier brings a cross organizational vision that will help propel Connexus to continued success as they strive to create efficiencies and improvements for both members and employees.

About Connexus - Founded in 1935 to serve employees, retirees, and families of Wausau Insurance Companies, Connexus has fostered strong partnerships and long-lasting financial relationships with the employees, retirees and family members of Liberty Mutual Insurance, UMR, and staff, students and alumni of Northcentral Technical College. Over the past several years, Connexus has extended service to over 20,000 members across the U.S. and has \$289 million in assets. Connexus is committed to helping their members achieve personal financial objectives while anticipating their needs and exceeding their expectations with superior products and service.
