Terms and Conditions

Payments and Payees

You are responsible for all bill payments authorized through use of your Login Credentials. If you do permit other persons to use the Bill Payment Service by providing your Login Credentials in violation of this Agreement, you are responsible for any/all transactions they authorize.

All payments you make through the Bill Payment Service will be deducted from your designated Payment Account. Any payment you wish to make must be payable in U.S. Dollars. Each Payee must appear on the Payee list you create with us and the account you are paying must be in your name.

You authorize us to choose the most effective method to process your payments. You will receive a transaction confirmation number for each properly instructed payment.

You must allow sufficient time for the Payee to receive and process the payment before the payment due date (the due date shown on your invoice or provided in your agreement with Payee, not taking into account any grace period provided by the Payee). You will assume full responsibility for all late fees, finance charges, or other actions taken or imposed by Payee.

IMPORTANT: Payments may take up to ten (10) Business Days to reach the Payee, as they could be sent either electronically or by paper check through United States Postal Service (USPS) regular mail. In cases of loss, delay, or mishandling by USPS, payments could take longer than 10 Business Days to reach the Payee. We are not liable for payments lost, delayed, or mishandled by USPS. We are not liable for any service or late charges levied against you for late payments.

A notice will be sent to you of transactions we are unable to process because of insufficient or unavailable funds or any other return reason. In all cases, you are responsible for either making alternate arrangements for the payment or rescheduling the payment. Returned payments will be canceled and will prevent you from making additional payments until resolved.

We will determine whether an error occurred within 10 business days (5 business days for ATM/debit card point-of-sale transactions and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however we may take up to 45 days (90 days if the transfer involved a new account, point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this we will credit your account within 10 business days (5 business days for ATM/debit card point-of-sale transactions and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened. We will tell you the results within three business days after completing our investigation. If we decide there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

- We have reason to believe the transaction requested is unauthorized;
- If you have not properly followed the Credit Union's bill payment instructions or have provided us with wrong or inaccurate instructions.

Provided none of the foregoing exceptions to the Service's performance obligations are applicable, if the Service causes an incorrect amount of funds to be removed from your Account or causes funds from your Account to be directed to a person or entity which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Account and for directing to the proper recipient any previously misdirected payments or transfers.

Suspension and Termination of Service

You may cancel your Service at any time by providing us with a request in writing by secure message, fax or by mail. Connexus reserves the right to provide information and notices about the Transfer service to you by non-electronic means.

Connexus reserves the right to refuse enrollment in the Transfer service to any member for any reason. By accepting this agreement, you are authorizing Connexus to check your accounts and to obtain a credit report to verify your eligibility for any accounts and services you request now or in the future.

Connexus Credit Union ("Connexus") may, at your direction, from time to time initiate a transfer of funds in your Connexus account(s) to an account you own at another financial institution or a transfer from that account to your Connexus account.

Transfers through the Service that affect savings accounts are subject to the federally mandated limitations on withdrawals and transfer transactions described in the Account Information Booklet.

After every transfer is successfully initiated, a confirmation message appears and can be viewed in the transfer activity once the transfer is successfully processed. Documentation of transfers will be reflected on periodic statements, as required by applicable rules.

Transfers between Connexus Accounts ("Internal Transfers")

Internal Transfers refer to the transfers made from one of your Eligible Accounts to another Eligible Account.

Internal transfers may be one-time, recurring, or scheduled for a future date. Transfers that are not scheduled for a future-date occur immediately and cannot be cancelled.

If a recurring or future-dated internal transfer fails for a reason other than insufficient funds in your Eligible Account from which the funds are being transferred, we may try again to complete it and you may be notified of the failure and further transfer attempts. If the internal transfer fails due to insufficient funds, you will not be notified.

Transfers between Connexus Accounts and other U.S. Financial Institutions ("External Transfers").

External transfers refer to transfers made to/from your Third Party Accounts at another U.S. financial institution and preauthorized debits and credits initiated by you. They are processed through the Automated Clearing House (ACH) on Business Days and can take up to 3 (three) business days to process. All requests must be made through Connexus' Digital Banking platform and are subject to the terms of the Digital Banking Agreement and Disclosure, each as in effect from time to time, and applicable laws and regulations.

The Automated Clearing House (ACH) system is used if we receive an ACH entry into your account. ACH credit entries will be governed by the rules of the National Automated Clearing House Association (NACHA), which states that the ACH credit entry shall be governed by and construed in accordance with the laws of the State of Wisconsin.

You acknowledge that if we are able to recognize that you provided us with incorrect or incomplete information, we may make reasonable efforts to contact you to remedy the situation. However, you agree to accept full responsibility for any losses resulting from any such errors.

Verification of Third Party Accounts

When you request a fund transfer to or from a Third Party Account, we verify certain account ownership credentials to confirm you have transactional rights to the Third Party Account. These verification steps are completed via either the Instant Account Verification process or trial deposit process. Instant Account Verification is a process in which your user credentials at another external U.S. financial institution are verified to successfully enroll the Third Party Account for the External Transfer service. Trial deposits involve Connexus making two low value deposits (usually less than \$1.00) and one withdrawal from the external account. You are then required to report certain details of such transactions to confirm your account ownership. Your funds are not used for the trial deposits. You will be asked to confirm the amount of the trial deposits in order to verify proper account setup. Connexus reserves the right to require you to use other methods to prove your ownership of a Third Party Account.

You agree that we have the right to collect funds from any/all of your Connexus accounts, including the available balance on your line-of-credit accounts or any of the overdraft services applicable to your accounts, to provide the funds for any transfers that have been requested by you. This includes accounts on which you are the primary owner, as well as accounts on which you are the joint owner.

We are not responsible for any holds on funds placed by other financial institutions.

We will not notify you in the event an External Transfer fails due to insufficient funds.

The terms and conditions for the account types offered by us are stated in the Account Information Booklet apply (e.g., number of monthly transactions allowed on a particular account) and you hereby acknowledge and agree that they are incorporated herein by reference.

Future-dated and recurring External Transfers may be cancelled as long as they are cancelled prior to the Send Date.
