Connexus Credit Union Grows to Sixth Largest Wisconsin Credit Union

Wausau, Wis. (February 22, 2019) – As the result of strong financial performance and growth throughout 2018, Connexus Credit Union has advanced to become the sixth largest credit union in the state of Wisconsin (ranked by asset size). Connexus’ previous ranking was seventh in the state a year earlier.

In an article published by the Milwaukee Journal-Sentinel, the overall success of Wisconsin credit unions was highlighted by an increase in loans (up 11.5%) and an increase in net income (up 8% industry-wide), along with multiple credit unions reaching significant financial milestones – including Connexus, which surpassed the $2 billion asset milestone at the end of the year.

“We are thankful for all of our member-owners who have helped us get to this point, and look forward to even more growth and success in the coming year,” said J. David Christenson, Connexus President/CEO. “To see the health of Wisconsin credit unions improving year after year, and knowing Connexus is making a positive impact on the financial well-being of members across the country is extremely gratifying for all of us.”
