

America's Credit Unions

Certifies that

Connexus CU

has provided:

- \$51,994,878 in direct financial benefits to its 471,309 members during the twelve months ending in March 2025, equivalent to approximately \$232 per member household.
- loyal high-use member households \$1,362 in direct financial benefits.

September 10, 2025

Credit unions generally provide financial benefits to members by charging less for loans, paying more on deposits and charging fewer/lower fees compared to banking institutions.
